

Dear Sir or Madam,

I am writing to ask that you thoughtfully consider either continuing, or should you not have done so in the past, becoming a Partner in Education with Eastover-Central Elementary School of Arts.

As I am sure you are well aware, Eastover-Central Elementary School of Arts has long had a rich and storied academic tradition. In addition to this, our students receive a first-rate cultural arts education that is second to none which includes strings, drama, dance, music as well as the visual arts. In order to ensure that we continue to offer our current students what has proven to be so beneficial to our past Champions, it is necessary for us to seek financial assistance from local businesses, organizations and individuals in hopes that they become a Partner in Education.

There are three giving levels that would qualify you to become an Eastover-Central Elementary School of Arts Partner in Education:

Bronze: \$500.00

Silver: \$500.01 - \$1,000.00

Gold : \$1,000.00 and above

To reward your generosity, you will be recognized for being a Partner in Education by having your name featured on each of our art performance programs throughout the school year. Moreover, you will receive a plaque at the school year's end celebrating your support of our students and school. Most importantly, however, you will know that you have aided us in continuing the great Eastover-Central tradition.

I would welcome speaking with you in reference to this should you have any questions or concerns; please feel free to reach me using the contact information found below.

In closing, I thank you for your consideration and look forward to hopefully working with you over the course of upcoming school years.

Sincerely,

Ashley Porter
Principal
